7.2.5 Create a User Account

Your Performance

Your Score: 3 of 3 (100%)   Pass Status: **Pass**
Elapsed Time: 33 seconds   Required Score: 100%

Task Summary

Actions you were required to perform:
✔ Create the pdenunzio user account
✔ Add Paul Denunzio as a comment for the user account
✔ Set eye8cereal as the password

Explanation

In this lab, your task is to complete the following:

    Create the **pdenunzio** user account.
    Include the full name, **Paul Denunzio**, as a comment for the user account.
    Set **eye8cereal** as the password for the user account.
    When you're finished, view the **/etc/passwd** file to verify the creation of the account.

Complete this lab as follows:

1. At the prompt, type **useradd -c "Paul Denunzio" pdenunzio** and press **Enter** to create the user and set the comment in a single command.
2. Type **passwd pdenunzio** and press **Enter**.
3. Type **eye8cereal** as the password and press **Enter**.
4. Retype **eye8cereal** as the password and press **Enter**.
5. Type **cat /etc/passwd** and press **Enter** to verify that the account was created.
